ANNOUNCEMENT

It is with pleasure that **Java Holdings** announces the acquisition of the **Arctic Arrow Group** of companies. With operational experience working in some of the toughest climates and conditions in Western Canada, Arctic Arrow has provided industry leading construction solutions to its utility clients in British Columbia, Alberta, the Yukon and Northwest Territories for over 40 years.

With this acquisition, Java continues to bolster its utility presence in Canada with an eye on expansion in to further markets both east and south. The acquisition of the Arctic Arrow Group will add key expertise, equipment and tooling to an expanding utility focused portfolio.

Java would like to announce the appointment of Patricia Briner to the position of President effective immediately. Patricia brings a breadth of experience and history with the Arctic Arrow group which will be invaluable as we expand into new markets and tackle new opportunities. Please join me in congratulating Patricia in her new position.

Aside from this announcement, rest assured that all our teams remain in place and ready to continue to serve our clients with the additional support of the Java Group behind them.

If you have any questions, please direct them to your usual contact at Arctic Arrow.
